

## **DUE PROCESS**

### **Student Right**

Each student has the right to due process in the application of the Code and school rules and regulations.

### **Student Responsibility**

Any student who believes this Code or other rules and regulations have been wrongfully interpreted or applied, has the responsibility to request a meeting time and place with the Principal to discuss the issue.

### **School Policy/Regulation**

Any student directly affected by a decision which is felt to be wrongfully interpreted or applied may individually express such a grievance to the Teacher and/or Administrator involved.

### **Action**

Upon request, a meeting will be set by the Teacher or Administrator to hear and discuss the grievance.

If the student has talked with the Teacher and wishes to go further with a request or complaint, the Principal should be contacted.

If the student has talked with the Principal and wishes to go further with a request or complaint, the District Administrator should be contacted.

If the student has talked with the District Administrator and wishes to go further with a request or complaint, a member of the School Board should be contacted
