

PROPERTY

Student Right

Students have the right to use school property and equipment and to possess personal property necessary for their education, free from damage and theft.

Student Responsibility

Students have the responsibility to obtain and use a lock on their locker and to secure their belongings to prevent theft.

Students have the responsibility to use strict discretion in bringing to school items of personal property non related to the instructional program.

Students have the responsibility to protect school property assigned for their use.

Students have the responsibility for reporting damage and/or theft of personal property to school officials.

Students have the responsibility to respect the property of other as well as the property of the school.

School Policy/Regulation

Desks, lockers, books, and equipment loaned to students remain school property while in possession of the student. Such property is provided for the convenience of the student and shall be used only for authorized purposes. The school reserves the right to inspect this property at any time.

Students will be expected to reimburse the school district for damage to school property, or for the loss or theft of such property. If your locker or other school property is damaged during the school year, report this damage immediately to the office.

Vandalism to school property or to the student's personal property will not be condoned.
