WILLIAMS BAY ELEMENTARY SCHOOL

RANKED THE BEST SCHOOL IN WALWORTH COUNTY

Parents of over 90 students from other districts opted to enroll their children in the Williams Bay School District. Let the small, caring environment of Williams Bay School District and its commitment to quality education be the deciding factor when thinking about your child's success.

Open Enrollment – Parents

"Williams Bay Schools have succeeded at being exactly what our children need on so many levels. The teachers and staff make our children feel important and loved. We know when we drop them off every day, that they are in a safe environment that encourages kindness and respect. Not only did Williams Bay prove to be the best choice academically, but also by how prepared they have been during unforeseen challenges."

-Bridget VanHout-Beth

"We have been with Williams Bay School for four years now. We are beyond pleased with the professionalism, collective knowledge, and resourcefulness Williams Bay offers. Our children's social development among their peers has blossomed significantly since attending Williams Bay. I would recommend Williams Bay School for any parent wanting to give their child the best chance at a phenomenal education. Be Pawsome!"
