

345.61 GRADUATION CEREMONIES

Commencement exercises shall be held at the date and time selected by the School Board. Participation is voluntary and open to all students who have met the criteria for a Williams Bay High School diploma.

Students who have attained 25 ½ of the twenty-six (26) credits required for a diploma may participate in graduation ceremonies, though such students will not receive a diploma at that time.

A foreign exchange student may be permitted to participate in the graduation exercises at the discretion of the building principal. A foreign exchange student participating in the exercises shall receive a certificate of attendance, or, if graduation requirements are met, a high school diploma.
