

534 SUBSTITUTE PROFESSIONAL STAFF

The School Board recognizes the importance of substitute professional staff to a continuous program of good education and establishes the following policies concerning substitutes teachers.

1. Substitute teachers must possess an appropriate teaching or substitute licenses or permits.
2. Substitute teachers are to be paid an amount to be determined by the School Board.
3. Substitute teachers employed by the School District for a continuing period exceeding twenty school days may, upon recommendation by the administration to the Board, be reimbursed at the rate above the normal daily substitutes rate.
