

# Williams Bay Elementary School

## STRATEGIC PLAN 2023-2024

### SCHOOL MISSION

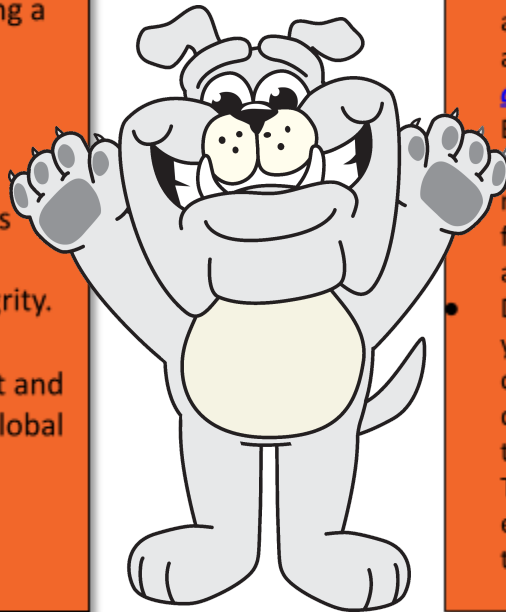

Achieving our highest potential with integrity and enthusiasm.

### DISTRICT VISION

Dream. Aspire. Achieve.

#### VALUES & BELIEFS

- Exercising the right to learn in a safe, healthy and nurturing environment
- Learning and becoming a lifelong learner
- Making a positive contribution to society
- Developing individuals with good character, compassion and integrity.
- Understanding the importance of respect and responsibility in our global society

#### GOALS

- During the 2023-2024 school year, every classroom/grade level at WBES will participate in at least 4 community engagement activities/partnerships (68 total) and record events on a [shared document](#).  
By May 2024, 80% of WBES students in 4K-5th grade will meet their individual math skill focus using quarterly classroom assessment data.
- During the 2023-2024 school year, all students will learn about character education and work to demonstrate good character traits throughout the year. Teachers will identify 3 students each month who demonstrate that character trait.

GOALS	ACTION STEPS
<p><b><i>GOAL 1: During the 2023-2024 school year, every classroom/grade level at WBES will participate in at least 4 community engagement activities/partnerships (68 total) and record events on a <a href="#">shared document</a>.</i></b></p>	<ul style="list-style-type: none"> <li>● Provide resources for teachers to use to determine which community activities align with their classroom, grade level, or specialty</li> <li>● Staff will have time to collaborate for community activity planning</li> <li>● Focus on building strong community partnerships while practicing expectations and manners in the community</li> <li>● Use teachable moments and authentic experiences to provide a sense of belonging and acceptance to help encourage demonstrating respect in and with the community</li> <li>● Use the components of the classroom learning community to build ownership, responsibility, accountability, and participation in the community</li> <li>● Keep record of community activity and experiences on the <a href="#">shared document</a> provided.</li> </ul>
<p><b><i>GOAL 2: By May 2024, 80% of WBES students in 4K-5th grade will meet their grade level math skill focus using monthly classroom assessment data.</i></b></p>	<ul style="list-style-type: none"> <li>● Educate staff on analyzing various data to determine specific areas of need for individual students</li> <li>● Collaborate with appropriate staff to provide resources to meet the needs of all students</li> <li>● Collaborate with grade level teachers, interventionist, and special education teachers to build individual capacity in order to provide instruction that meet the needs of all students</li> <li>● Provide specific math interventions during WINN time and within classroom timeframe based on multiple forms of data, formal , and informal assessments</li> <li>● Promote math and how it is used as a daily part of life</li> <li>● Record data each month and report it to building principal</li> </ul>
<p><b><i>GOAL 3: During the 2023-2024 school year, all students will learn about character education and work to demonstrate good character traits throughout the year. Teachers will identify 3 students each month who demonstrate that character trait.</i></b></p>	<ul style="list-style-type: none"> <li>● Provide daily character education trait information during announcements</li> <li>● Teachers will reinforce the character trait information with students in class</li> <li>● Students will be encouraged to demonstrate character traits</li> <li>● Consistently provide stamps to students who demonstrate character traits at school.</li> <li>● Identify and report to the principal 3 students per classroom and 1 student per essentials who demonstrate the monthly character trait.</li> <li>● Students who are identified as demonstrating the monthly character trait will receive a certificate and a pencil. A “Paw” will be placed on the bulletin board.</li> </ul>
