*You must obtain consent of the instructor if it is part of the prerequisite for a course or if you do not meet the prerequisites listed in the Course Description Handbook.

Please note: Once students have enrolled in an Online, Distance Learning or Youth Options course they may not be allowed to drop the course. Please give careful and thoughtful consideration to these courses if you are registering for them.

*If you would like to take a class at another school, please remember Youth Options forms are due ASAP. (See course guide)

Please remember: If attending a four-year college, it is recommended to enroll in several core classes to match admission guidelines.

I have reviewed the course selections with my son/daughter. The total number of credits selected is at least 6.0 and not more than 8.0. I understand that changes may be made for the following reasons: a required class is missing, or the prerequisites have not been satisfied.
