Please note: Once students have enrolled in an Online or Distance Learning course they may not be allowed to drop the course. Please give careful and thoughtful consideration to these courses if you are registering for them.

I have reviewed the course selections with my son/daughter. The total number of credits selected is at least 7.0 and not more than 8.0. I understand that changes may be made for the following reasons: a required class is missing or the prerequisites have not been satisfied.
